

DATASHEET No. 108 Eng

PRODUCT NAME ELECTRIC WHEELCHAIR ROCKET 3

IMAGE

**TECHNICAL
COMMERCIAL
DESCRIPTION**

The power chair ROCKET 3 is a latest-generation electronic wheelchair for outdoor / indoor use, which offers the user several adjustment and adaptability options thanks to its modular structure.
The power chairs ROCKET are ideal for those who - albeit having physical limitations - wish to move independently.
Its compact size makes it suitable to be used both at home and outdoors.
Width adjustable seat and backrest.
Tension adjustable backrest.
Removable depth and height adjustable footrests that can rotate inwards to reduce the space taken.
